## Handbrake Compensators

Amended 14.04.10

A selection of steel fabricated compensators designed specifically for use with vehicles fitted with mechanical type handbrakes

Compensators are available in two styles. The standard range for centres less than 720mm and heavy duty re-enforced range for centres up to 1120mm

All compensators are supplied complete and finished in zinc and yellow passivation to BS1706

Some replacement parts are available
