

Cylinders - General Equipment

Cylinders

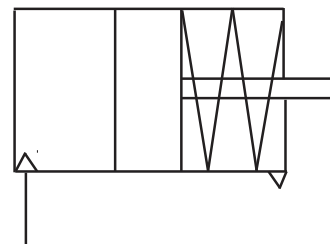

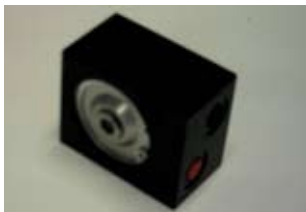

Part No	VAL627-(RT/57263/M/80)	VAL631-(SPC/003901)	VAL633-(RA/8080/M/100)
Description	Double Acting Cylinder	Double Acting Cylinder	Double Acting Cylinder
Stroke	80mm	80mm	100mm
Diameter	63mm Cylinder	63mm Cylinder	80mm Cylinder
Ports	1/4 BSP x 2	1/4 BSP x 2	1/2 BSP x 2
Piston Rod			
Material	EN54J Stainless Steel	EN58J Stainless Steel	Martensitic Stainless Steel
Thread	M16 x 1.5	M16 x 1.5	M20 x 1.5

Application as Operation Cylinder for many OE sliding 5th wheels

Part No	VAL632 - (RM/92032//M/50)	VAL670 - (RM/93050//M/50)
Description	Double Acting Short Stroke Cylinder	Single Acting Short Stroke Cylinder
Stroke	50mm	50mm
Diameter	32mm	50mm
Ports	1/8" BSP x 2	1/8" BSP x 2
Piston Rod		
Material	Austenitic Stainless Steel	Martensitic Stainless Steel
Thread	M8 Female	M10 Female

Part No	VAL688- (M/50132/10)
Description	Single Acting Cylinder
Stroke	10mm
Diameter	32mm
Ports	1/8 BSP x 2
Piston Rod	
Material	Austenitic Stainless Steel
Thread	M6 Female

Product Codes and Part Numbers of manufacturers or suppliers that are other than TGL numbers are only quoted for reference and identification and do not suggest part origins or manufacturer.

Cylinders - General Equipment

Cylinders

Amended 23.04.10

Part No VAL692- (SPC/004803)
Description Double Acting Cylinder
Stroke 80mm
Diameter 80mm
Ports 1/4" BSP
Piston Rod
Material EN58
Thread M16 X 1.5

Part No VAL693- (SPC/004804)
Description Double Acting Cylinder
Stroke 200mm
Diameter 80mm
Ports 1/4" BSP
Material EN58
Thread M16 X 1.5

VAL689 - (QA/8080A/00)
Cylinder Spares Kit

Clevis

Part No ZMount - (QM/57063/25)
Description Clevis to suit VAL627
Thread M16 Female
Pin Diameter 14mm

Part No VAL635 - (QM/57020/25)
Description Piston Rod Clevis
Thread M8
Pin Diameter 6mm

Product Codes and Part Numbers of manufacturers or suppliers that are other than TGL numbers are only quoted for reference and identification and do not suggest part origins or manufacturer.
